

Submitter: Trudy Gregory

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1102

Oregon tax payers are quite literally bleeding money in taxes imposed by the state. I am a 5th generation Oregonian whose life style has had to change because of the spending this state can't seem to control. When is enough enough? I don't think it reasonable or fair to tax us into poverty which is what is happening at every level in Oregon - JUST NO!
