To: Oregon Senate Committee on Natural Resources and Wildfire Subject:
Opposition to SB 1154-1 Amendment (Ground Water Framework Overhaul)
Submitted by: Ed Diehl, State Representative, House District 17 Date: April 6th, 2025
Chair Golden, Vice Chair Nash, and Members of the Committee:
I submit this testimony in opposition to Senate Bill 1154 and the -1 amendment,
which amounts to a re-write of Oregon's ground water policy. While protecting water
a critical need, this proposal undermines local control, and property rights. The
amendment's complexity, bureaucratic scope, and coercive enforcement demand a
NO vote.
