Hi

I think this new Bill that you are trying to pass is very worthless and retarded, not only break's my federal and state constitutional right, but it not going to do any to help stop fighting crimes. You're taken right away from young adults that can join the military and shoot guns all the times, this Bill doesn't make any sense, the other thing that more likely this Bill will make young folks not join the military because you are taken there constitution rights away and they will move out of this state.

Please vote no on this Bill.

Thanks ED
