

Submitter: Charles Mayes

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB698

Let's be honest, 94% of ALL mass shootings happen in gun free zones. I can't understand why you would want to make public buildings less safe by putting a target of opportunity on it. When will you stop pandering to special interests groups that control you and your actions. You took a oath to protect your country and your state and not your party and special interest.
