

Submitter: Charles Mayes

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB697

So the frontal cortex of the brain isn't developed sufficiently enough to make a adult decision by age 18 but you can choose your sex, pronouns and have a abortion without the knowledge of a parent or guardian ? Stop pandering to special interests groups that don't have their headquarters in Oregon and start paying attention to the residents and voters of Oregon.
