SB698

I write in opposition to this Bill, solely for the fact that this Bill will force lawful firearms owners, as well as those who hold Concealed Carry permits, to have to be legally disarmed, therefore lacking the ability to defend themselves, when the needs arise, with the firearm of choice. We already know that those who intend harm to others , will not follow the Law. This Bill is bad because it limits our Constitutional Rights, both Federally and at the State level. This Bill clearly tells the lawful firearms owners, that they can not exercise their Rights while on certain publicly control properties.
