Hello, My name is Anthony. I'm 52 years old and born and raised in Oregon. I served in the Air Force in the early 90's and have had my concealed carry permit since then. At my age, I'm not interested in researching every time I enter public building to see if they might have a rule against me with my concealed handgun. I'm also opposed to becoming a criminal at the stroke of a pen for doing what I've been doing for 25 years. Which is going about my business and not bothering anyone. Thanks for reading this.
