SB696

I am writing in opposition to SB 696. This bill violates the Second Amendment and targets law abiding gun owners not criminals. Fully automatic weapons are already illegal under federal law. Obviously, criminals who modify firearms do not obey gun laws. Most criminals do not involve legally owned firearms. Instead of banning accessories, lawmakers should aim at illegal gun traffickers and repeat offenders of violent crimes.

Senate Bill 696 is unconstitutional. It does nothing to prevent crime.

Please oppose SB 696.
