Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB1054

Dear Committee,

I strongly urge a yes vote on SB 1054. As more evidence mounts on the short comings of Oregon's vote by mail / count by machine no chain of custody accumulates, the least the county clerks can do is provide live coverage of all aspects of the voting process. In this day and age of everything digital, including this testimony, and the fact that ballot drop boxes were destroyed in the last election, surveillance cameras are a no-brainier addition to the voting process. Include all the citizens in the voting process, vote yes on SB-1054.
