

Submitter:

Cheyenne Gleason

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB698

I oppose this measure because it is unconstitutional. I should be able to conceal carry a firearm because of potential harm doing people, if I open carry a firearm and a active shooter comes in the same building the first person he's gonna want to take down is with a firearm that he can see. I can't help save myself or other people if I'm dead.
