

Submitter: Steve Hazelett

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB698

I oppose this bill on the basis of impeding my constitutional right to bear arms.

I have served my country, I have not committed any crimes and I have submitted already to the unconstitutional requirement for a background check in order for me to carry a concealed firearm to protect my family and others.

Allowing this bill to pass is in direct violation of my constitutional rights. Do not make criminals out of law abiding citizens.
