SB698

Hello, I am 100% opposed to SB 698, first crimes are not committed by law abiding citizens. Second, the #1 place of mass shootings are schools, note that schools are gun free zones. So this only ads proof that when you force these zones it creates open targets for criminals. A place where these cowards know they wont have to worry about return fire. To ban guns, pepper spray and tasers are a deliberate infridgement on my right to protect my family. I am a law abiding citizen. Law abiding citizens are not the problem, mental health, drug abuse, and cruminaks are, these people dont follow rules. THIS BILL IS A WASTE OF TAX PAYERS MONEY AND WILL NOT Improve any statistics. It is just another financially backed group trying to inforce there will upon everyone else. Please stop this insanity, and this pleathera of special interest groups. Uphold my consta
ltitutional rights.

Constituitional Rights.

Thank you!
