

Submitter: Kyle Viestenz

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB429

I oppose any legislation that limits, delays and infringes upon the constitutional rights of the law-abiding citizens of Oregon to keep and bear arms. There have been reports of people murdered by stalkers/criminals in other states with waiting periods while they were trying to acquire a firearm to defend themselves. This kind of legislation only hinders law-abiding people who want to protect themselves.
