

Submitter:

Mindy Velarde

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB429

This only impedes my ability to stay safe. The constitution says its my right. States making me wait for them to preform checks is a blatant disregard. This is another left extremists blatant disregard for my safety. Also another way to manipukate the system by not staffing so it takes forever.

Thank you

Mindy
