

Submitter:

Marie Pokorny

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB696

Shall NOT Be INFRINGED. The State of Oregon is taking away the rights of law abiding citizens. Nothing is being done to stop criminals. No bail. No prison time. Criminals will never follow ANY laws. The State of Oregon is slowly but surely taking our God given freedoms away and the right to protect ourselves from criminals, one piece of paper at a time.
