

Submitter: Donna Bleiler

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB1119

I OPPOSE SB 1119.

This bill is not needed and it is set to trap farmers into violations because there is no correct move to avoid it. This bill lack purpose. Loading more cases on BOLI, whom testified they have a 6-month backlog and can't work the cases they have, is not responsible governing.
