

Submitter: Hester van Heemstra

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3372

I am a member of Friends of Family Farmers and I support HB3372 so small farms can sell their produce. As a person who buys produce from farmer's markets I support local small farmers because they often grow different varieties that are not available at larger commercial markets, are more often organic (or if not labeled organic, grown sustainably without commercial pesticides), and support pollinators.
