As a Republican PCP I have participated in observing elections and worked on voter roll issues. I am confident our local county clerk is obeying all Oregon laws and expectations of transparency to the public. However, the main integrity issue in Oregon elections stems from the double edged sword of compromised voter rolls due to motor voter (and giving illegal aliens drivers' licenses) and the thousands of illegitimate ballots mailed to illegal aliens, voters with national change of address requests, 16 year olds, and even deceased Oregonians. SB 1054 helps reduce the issue of integrity around ballot boxes and enables county clerks to identify those making large drops of fraudulent ballots. It will also deter the fire-bombing of ballot boxes we saw last November. Vote YES on SB1054
