Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB698

Limiting the areas to Legally possess concealed handguns is bad for CHL holders and good for the bad guys. Who's side are you guys on?

Studies show more shootings occur in gun free zones. Only thing that stops a Bad Guy with a gun is a Good Guy with a gun!

CHL holders are not the problem, bad guys don't obey gun free zones! Bad guys don't obey the Laws Period!!

The 2nd amendment shall not be infringed!!
