

Submitter:

Chip North

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB429

I oppose this bill and all bills currently in opposition to the Constitution. The words for us enshrined in these simple words from our founders for you our elected employees is this, SHALL NOT BE INFRINGED. They were written to protect us from you, not for you to rule over us with your constant chipping away at these inalienable rights.
