

Submitter:

Silais Romero

On Behalf Of:

Committee:

Senate Committee On Human Services

Measure, Appointment or Topic:

SB1197

Hi my name is Silais Romero and I work as a family support specialist. in my role I have seen the positive impact that respite has had for our families. It helps parents and caregivers take time to recharge and it helps kids find a space where they can connect with peers. Expanding respite services will help support vulnerable families so that they have the services that can help them support themselves and their children. These services are important and necessary for the families we serve.
