On Behalf Of:	all citizens
Committee:	Senate Committee On Education
Measure, Appointment or Topic:	SB306
Senate Educ. Committee:	

SB306 is unnecessary. A law is not required to evaluate the higher education system. One only needs to review graduation rates, employment obtained or further education enrollment. The schools of higher education have all this various data; they use it to advertise and promote their institutions. Ask for a report from the specific schools of higher education the information required. Look to the web-sites for the data. Easy, simple and very little cost.

I opposed SB306.

Mark Pease, citizen.
