On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Heather Ikeler and I live in Portland. I am deeply committed to doing what I can as an individual as well as an Oregonian to protect future generations from the existential threat of climate chaos. Please support SB 1187-- We need funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon, and fossil fuel companies who are mostly responsible for the problem should pay for it.
