

Submitter: Morgan Gregory

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

As a rural Oregonian who has to pay to install, and maintain my own well the thought of having to pay yet another tax on water which I have legal rights to is disgusting. The state has on right to come on my families land and enforce yet another tax on me and my family. I strongly oppose this sickening governmental overreach.
