

Submitter: Lyn Robertson

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

I strongly oppose this bill. It reduces our freedom and autonomy while accomplishing nothing productive. This state has plenty of real problems, mostly caused by our incompetent government, which require our attention. Inventing new problems accomplishes nothing. Our state government has, time and again, proven itself untrustworthy and totally incapable (just take a drive through Portland for proof). We should endeavor to strip power from corrupt government, not give it more.
