On Behalf Of:	organic blueberry farmer
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Greetings,

We have a small farm with 1 acre of it with organic blueberries, Sherwood, OR. We use a well to water our blueberries and large garden. If we have to incur any added expenses it will PUT US OUT OF BUSINESS. We have a very small profit margin. Please do not make any regulations for the WHOLE state of Oregon. What is good for us may not be good for Eastern Oregon and vice versa. Please take all our (farmers, wildlife, cities etc) needs into account in your decisions.

Thank you for your time and consideration to our needs.
