

Submitter: Deborah Taylor

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or SB1154  
Topic:

This bill is bad for all Oregonians who live in rural areas. The state shouldn't be able to have any control over ground water let alone try to install meters on private wells. While there might need to be some regulation this is total over reach. Please do not support this bill.
