

Submitter:	Cherie Watson
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

No on SB1154! I am a private land owner and a farmer and will not give the government access to my well period. You have zero rights to the water below my property or the right to control what I do on my property. Yet another Bill with gross overreach in this State! How about you focus on the City of Portland dumping raw sewage in the Willamette River for years and getting away with it?! Leave me and my lawfully owned property alone please.
