

Submitter:	Staci Smith
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

It is not the right of the State or its representatives to seek such an action as to harm its citizens. This is a ridiculous Bill and should not be entertained. Stop with your micromanaging of our Once great state because of your infringement on our way of life you are literally crippling the people that pay your salary. You forget the pheasants pay the taxes first.
