

Submitter: Doris Richardson

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

Government overreach on private property and private businesses on our own water wells. No person or government agency has a right to restrict my ability to access my own well and water use. No government agency has a right to deny property owner to drill a new well to survive on your property or business. The government does not own our air, water or land we have to live that we have paid for.
