Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB149

Senators Prozanski and Thatcher and Members of the Judiciary Committee:

I am writing to ask you to support SB 149 (with the proposed -3 amendments) with the intent of enabling resettlement agencies and nonprofits to provide additional assistance to families who may need a little extra support when they time out of traditional resettlement services. Our community does a remarkable job of supporting and welcoming families and a small measure of state financial help, coordination and research will go a long way in maintaining that important work.
