Wildfire

Measure, Appointment or Topic: SB1154

My property, my well, my water and water rights I pay for not the government . Total overreach of government they do not own my land, air, water, food I need to survive . Overreach to deny water access on my property, deny of new well or restrict water use out of my well. Government has no right or authority to access my land or allow others to enter my property. Taxing or charging me for accessing water out of my well. All of these things are a violation of our property rights. No government should ever be allowed to dictate or violate our property rights.
