

Submitter: Janell Doe

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

Please hold corporate polluters accountable for the damage they are causing to our great state. The cost of climate related disasters should not continue to fall to the responsibility of Oregon communities that are already stretched thin in our day to day lives. The health consequences alone penalize tax payers throughout the state. Please support the health of our environment and citizens!
