

Submitter: Geri Rose

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

I oppose SB 1154! Trying to control the ground water is a definite overreach of power. This looks like something that a communist country would enforce on its people, last I checked we were supposed to be a free state. Let's keep it that way!
