

Submitter: Audrey Desler

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

My name is Audrey. I live in Portland and I'm a member of Climate Reality Project Portland Chapter who cares about the health and resiliency of our environment, and thus, our communities. Please support SB 1187. We need funds to develop and put in place climate resilience, adaptation, and mitigation across Oregon. Fossil fuel companies (who are primarily responsible for the problem) should be the ones to pay for it.
