On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure, Appointment or Topic: SB1061

I am Monique Bochsler, a proud resident of Oregon, and I am writing to express my support for this bill. Education plays a crucial role in the industry. By providing training, we can enhance the knowledge of those involved in lumber production and purchasing, ensuring they understand product quality. This initiative will also equip young individuals with the skills needed for employment in lumber mills, lumber yards, and construction.

Thank you for your time
