Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Nobody asked for this except greedy reps like Amy. Quit disguising your environmental interests for fiscal ones. Quit wasting our resources and spend our tax dollars wisely.

You are driving out many people. They are voting with their feet over issues like this, pretty soon we will lose congressional seats. No free water for big mines or for cooling data centers. The folks of Oregon have had it!
