Measure, Appointment or Topic:	SB1154

I strongly oppose SB 1154, which would allow a team I did not elect to intrude upon my property rights to use my well to water my garden! This bill invites nothing but trouble and the opportunity for government over reach into the lives of citizens who are trying to grow their own food, and this intrusion is very unwelcome, unwanted and completely unnecessary. VOTE NO on SB 1154.
