

Submitter:	Kathleen Martin
On Behalf Of:	Myself
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

My family has lived on the same ranch in Southern Douglas County since 1940. We have worked hard to be responsible stewards of the land.

We use the water on our properties wisely and carefully for agriculture and personal use. We pay for everything ourselves. I do not believe SB1154 benefits the citizens of Oregon. Especially those of us in the rural areas. It does extend the control of the government bureaucracy and feeds their insatiable need for more tax dollars. I oppose SB 1154.
