Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

My name is Dana Wirth and I am submitting testimony in opposition to sb1154. This bill is a blatant example of government overreach and would be catastrophic and detrimental to Oregon agriculture. Our agriculture in Oregon supports and uplifts local food systems and resources for lower income communities. This bill is unethical and ultimately will be a blight to our communities. Thank you.
