

Submitter: Lori Lovewell

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1154

I am HIGHLY against this measure. I bought my property to retire on and I survive on SS. This tax and forced equipment purchase will force me to sell my property in order to survive financially, The State of Oregon has no legal rights to my water on my rural property.

I bought and paid for my property AND my water rights.
