

Submitter:	Kyle Lux
On Behalf Of:	Entire family
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

Owners of wells already pay huge amounts of money, not only for the well it's self but the upkeep, but that's the price you pay to be off the grid will self sustained water. We already get hosed on taxes with nothing in return so why should we have to pay more. It's unethical and un-American.
