RE: Support for House Bill 3794

On behalf of the League of Oregon Cities, which represents all 241 cities across Oregon, I write in support of House Bill 3794.

House Bill 3794 establishes a regional task force to address municipal solid waste challenges in the Willamette Valley, like the work being done by the Sustainable Materials Management Workgroup. We are committed to coming to the table with stakeholders to identify long-term sustainable solutions grounded in collaboration and share responsibility.

Thank you for your leadership on this important issue. We urge your support.

Many thanks,
Michael Martin, Lobbyist
