Measure, Appointment or Topic: SB1177

Dear Committee on Finance and Revenue,  
I strongly oppose this bill. I am expected to live within my means and I believe the government should as well. Taking the kicker is the government not being responsible and continuing to take without accountability. Fire mitigation became taboo by green activists in the 1980s on. What happened to all that money that was for mitigation? Please vote no on SB1177.
