

Submitter: Janet Bailey
On Behalf Of: Concerned Citizen
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB1187

I oppose SB 1187. Oregon Constitution Article IV, Section 1, says laws do not allow retroactive bills. This SB 1187, is double taxation. This bill is a carbon tax and will raise energy costs. Al Gore's Global Warming/Climate Change never materialized and has been removed from the Federal Government website!
