Measure, Appointment or SB1154
Topic:

My name is Crea Lancaster and I live in Prineville Oregon.

I am providing testimony in opposition to this bill.

Many of the folks proposing this bill will be unaffected by the taxes imposed. Many of us that live in rural Oregon are not wealthy and many of us are barely scraping by already. Further tax burden will only make it worse and will affect the poorest residents of Oregon negatively, including myself and my family. Oregon is already in the top half, approaching top third, for tax liability. When will it ever be enough? I am a second generation native Oregonian and the time is quickly approaching that we will no longer be able to afford to live in the state my family has a long history within.

Please discontinue further efforts on this bill. It is clearly proposed by individuals that will not suffer the effects and will only take money from the people who need it most.
