

Submitter:	Dawnne Linenbrink
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

This bill contains more provisions than just what the title implies. There needs to be voter input and a true study on how this affects farmers and ranchers. We bought our property with a well that supplies our drinking water and water for our cattle, horses and other animals. Having meters goes against our rights to own land and the water it draws from and will cause undue hardship to many rural property owners. I oppose and recommend this go to the voters. Dawnne Linenbrink
