

Submitter:	Dennis Corthell
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I strongly oppose. SB 1154's overreach is the definition of adding insult to injury. Instead of narrowly targeting polluters, this bill punishes homeowners and communities who had no hand in the contamination. Destroying property values, restricting land use, and denying compensation isn't just shortsighted— it's unjust.
