

Submitter:	Darlene Marquardt
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1154

I oppose Oregonians having to have meters on their wells. Along with not being able to drill new wells. What would a person do if their well fails. We could not go without water. This bill is stepping over our rights as land and homeowners. Please vote no on this.
