

Submitter: Mary Kinnick

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB149

To Members of the Judiciary Committee

I urge your support for SB149 that will provide long term support to our new refugee and immigrant neighbors. I want us to continue to be a welcoming community, one that values newcomers from across the world and helps them resettle and become part of the diverse fabric of our community. Their needs are great, and Oregon needs to stand with them.
